## Chamber Music, outside ...the confines of 'chamber'

An unassuming SE Portland backyard hosts a concert series of light chamber music and popular song under an apple tree. Relax and enjoy being outside in a Portland evening, accompanied by musicians who share their love of their craft, and their home, Portland. Bring your friends and family, a picnic basket and a blanket. The musicians assemble beneath the apple tree at 7:30pm and accompany your evening until the stars come out.

The back gate opens at 6:30pm. Suggested Donation: \$10 / \$5 children

Chamber Series Musicians:

Elizabeth Byrd, cello; Maria Garcia, piano; Michael Kissinger, clarinet; Maria Manzo, piano; Douglas Webster, vocals.

### ***It's Only a Paper Moon*** Monday, July 8th 7:30pm

Relive a moment of your grandparent's (or great-grandparent's) youth while having your photo taken sitting in a real paper moon! Listening to music of their day as we make it ours! And don't forget your cameras! The Man in the Moon has arrived in Portland!

### ***Gershwin in the Garden*** Sunday, August 4th 7:30pm

Enjoy George Gershwin's most popular melodies paired with music of his classical contemporaries and other surprises. Virtuoso playing, beautiful melodies and romantic verses. Music made for a garden party!

### ***Schubert, Schumann and... Sherbet!***

Sunday, September 8th 7:30pm

Music of the German Romantic Masters presented with a casual, contemporary style, accompanied by a light, refreshing dessert! Schubert's romantic songs, and Schumann's *Dichterliebe* served with a translation that brings a modern insight to timeless classics. Schubert was known for his grand, "Schubertiade" parties lasting days... Ours will go for a couple of hours...
